

**INJUNCTION SUIT.**—John J. Pleasants and Mary Pleasants commenced suit yesterday in the Fourth District Court against Elizabeth Phillips. Plaintiffs claim that they are the owners of certain lots of ground near Washington and Powell streets, and Delaware avenue and Geneva avenue, in which defendant claims an interest. They pray for a decree of Court asking that defendant may be required to set forth the ground on which she bases her claim, and a further decree forever debarring her from setting up such claim in the future.
